

2019

established through a review of websites and information provided by model representatives, county partners and state departments. Funding for model implementation comes from a variety of sources, such as the California Home Visiting Program, CalWORKs Home Visiting Initiative and First 5.

(1 county); Nurse-Family Partnership (20 counties); and Parents as Teachers (11 counties).

Information was verified by partners from: California Head Start Collaboration Office, California Department of Education; Healthy Families America, Prevent Child Abuse America; Help Desk, Head Start Enterprise System; Home Visiting State Interagency Team Workgroup; and Nurse Family Partnership National Service Office.

Number of Evidence-Based Home Visiting Models by County
